

Norfolk Archaeological and Historical Research Group

Registered Charity No. 1002127

NAHRG is Norfolk's county local history and archaeology club. You don't need to be a researcher or digger to join.

We promote and publish amateur research into the history, landscape history and archaeology of Norfolk; and support the work of official and unofficial organisations in the same fields.

We have an annual season of monthly lectures from October to April, held on Saturday afternoons at the UEA, including a joint meeting with the Norfolk & Norwich Archaeological Society.

Subject to demand, we arrange visits to places of interest during the summer months, usually locally but sometimes further afield. We encourage members to get involved in local digs and organise our own when sufficient expertise is available.

A twice-yearly Newsletter keeps members up-to-date with our activities and has short articles on Norfolk's history, records and archaeology. Our journal, 'The Annual', includes longer articles on members' own research and that of professional local historians, archaeologists and others.

We belong to the Federation of Norfolk Historical & Archaeological Organisations and send members its events diaries.

To make this declaration, you must be a UK taxpayer and pay an amount of income tax and/or capital gains tax in any tax year at least equal to the amount of tax that all charities or Community Amateur Sports Clubs that you donate to will reclaim on gifts for that tax year. Other taxes, such as VAT and Council Tax, do not qualify. You can cancel this declaration at any time by notifying NAHRG and must do so if in future you no longer pay sufficient tax annually on your income and capital gains.
